

INFORMATION ON PSYCHOLOGICAL SERVICES AND OTHER HELP

Dear Patient

We are providing some information on psychological services and extra help that you can get for your condition.

FREE COUNSELLING BY SELF-REFERRAL

Free counselling on the NHS is available in this area. **You refer yourself to these services, without needing to see a doctor first.** The services deal with such conditions as anger issues, anxiety, depression, mood problems, obsessive-compulsive disorder (OCD), panic, phobias, stress and psychological trauma.

IN AN EMERGENCY AND IN NEED OF URGENT HELP?

If you feel at imminent risk of self-harm, please seek help urgently. You are not alone. You can ring us, contact NHS111, dial 999, speak to the Samaritans, present yourself to the nearest A&E department, speak to your counsellor or community psychiatric nurse if you have one or speak to a trusted friend or family member.

SELF-HELP LEAFLETS

You can also download some very useful and well recommended information leaflets on all the above topics, including others, like sleeping problems, health anxiety, eating disorders, shyness and bereavement:
